We recommend that your Honorable Board:

Supervisory District: 1
1. Reject the Offer of Dedication without prejudice to future acceptance.

Supervisory District: 4
- C. Tract 2706, a proposed subdivision resulting in 5 lots, by Javad N. and Darvin Nahvi Sani, Las Tablas Road, Templeton
Supervisory District 1
1. Reject the Offer of Dedication without prejudice to future acceptance.
 2. Act on the attached resolution to accept the relinquishment of right of ingress and egress along Las Tablas Road, County Road No. 5163.

Discussion

The above-listed Maps have satisfied all the conditions of approval that were established in the public hearings on their Tentative Maps. The maps were processed by the County Planning Department with input from County Fire, County Public Works, Environmental Health, the Air Pollution Control District, the Sheriff's Department and other affected

*B-18
2*

County Departments as well as California Department of Transportation (Caltrans), and local cities and service districts.

At a public hearing, the Subdivision Review Board granted tentative approval to the proposed lot line adjustments and parcel maps, and the Planning Commission granted tentative approval to the proposed tract maps. All proposed real property divisions are subject to a number of conditions of approval. Each of these projects' owners have satisfied their conditions.

The Real Property Division Ordinance requires that when the conditions of approval have been met, and when an adequate final or parcel map that is substantially in conformance with the design of the tentative map has been submitted to the County Surveyor, the County Surveyor will transmit the map with his approval and certification to the County Clerk awaiting your Board's approval to record the map. Section 21.06.050 of the County Code requires your Board to approve the map if it is determined to be in conformity with the Real Property Division Ordinance and the Subdivision Map Act. Your Board must also accept or reject any offers of dedication.

Other Agency Involvement/Impact

The Clerk is to hold the maps until your Board approves them. The Clerk also certifies the Board's approval, arranges receipt of the recording fee and after the signatures and seals have been affixed, transmits the maps to the County Recorder. The County Recorder certifies and files the maps and/or resolutions of acceptance as prescribed by the Subdivision Map Act.

Financial Considerations

As there is no acceptance of a road into the County maintained road system, there will be no ongoing cost to the County associated with this action. All costs related to the processing of this item have been paid by the applicant(s).

Results

Approval of the recommended action will allow these final maps to be formally recorded.

1. Grant of open-space easement. Owner hereby grants to County, for the term specified in paragraph 8 below, an open-space easement in and to the Subject Property described above. (h) Owner shall not use the Subject Property or any portion thereof as a parking lot, storage area, or dump site or otherwise deposit or allow to be deposited on the Subject Property or any portion thereof, temporarily or otherwise, anything whatsoever which is not indigenous or natural to the Subject Property.

(i) Owner shall not cover or cause the Subject Property to be covered in whole or in part with any asphalt, stone, concrete, or other material which does not constitute natural cover for the land nor otherwise disturb the natural cover of the land unless otherwise authorized by the provisions of this agreement.

(j) Except for a resubdivision involving all of this Tract, no land division of the Subject Property shall occur or be applied for by Owner or his successors in interest, nor shall Owner or his successors in interest otherwise convey (other than under threat of condemnation) a portion of the Subject Property less than the whole to one or more parties or convey the Subject Property to two or more parties each of whom acquire title to less than the whole of the Subject Property. 5. Construction of improvements. Owner shall not construct or permit the construction of any improvements on the Subject Property except as expressly reserved herein or as authorized in the Open-Space Easement Act of 1974. Provided, however, nothing contained in this agreement shall prohibit the construction of either public service facilities installed for the benefit of the Subject Property or public service facilities installed pursuant to an authorization of the Board of Supervisors of the County or the Public Utilities Commission.

6. No authorization for public trespass. The grant of easement contained herein and its acceptance by the County of San Luis Obispo does not authorize and is not to be construed as authorizing the public or any member thereof to trespass upon or use all or any portion of the Subject Property or as granting to the public or any member thereof any tangible rights in or to the Subject Property or the right to go upon or use or utilize the Subject Property in any manner whatsoever. It is understood that the purpose of this agreement is solely to restrict the uses to which the Subject Property may be put so that the property may be kept as near as possible in its natural condition for the benefit of the public, including the lots being created in the above subdivision.

7. Effect on prior easements. Nothing contained in this agreement shall limit or affect any easements that are of record and that have been heretofore granted by Owner on, over, under, or across the Subject Property or any portion thereof.

8. Duration of easement. The grant of easement to County contained in this agreement shall be effective when it has been approved and accepted by resolution of the Board of Supervisors in the manner required by law, and it shall remain in effect in perpetuity unless abandoned or otherwise terminated by the Board of Supervisors in accordance with the provisions of the Open-Space Easement Act of 1974.

9. Enforceable restriction. Upon acceptance of the open-space easement granted herein, the Subject Property shall be deemed to be "enforceably restricted" within the meaning of section 422 of the Revenue and Taxation Code and section 8 of Article XIII of the Constitution of the State of California.

10. Binding on successors in interest. This agreement shall be deemed an equitable servitude and a covenant running with the land described herein and shall be binding on the parties hereto and their heirs, assigns, and successors in interest. Any

conveyance, transfer, or sale made by Owner of said property or any portion thereof shall be deemed to incorporate by reference, and be subject to, each of the provisions of this agreement.

11. Effect of waiver. County's waiver of the breach of any one term, covenant, or provision of this agreement shall not be a waiver of a subsequent breach of the same term, covenant, or provision of this agreement or of the breach of any other term, covenant, or provision of this agreement.

12. Judicial enforcement. Enforcement shall be by proceeding at law or in equity, either to restrain a violation or an attempted violation or by suit to recover damages against any person or persons violating or attempting to violate any covenant or restriction contained herein.

13. Law governing and venue. This agreement has been executed and delivered in, and shall be interpreted, construed, and enforced pursuant to and in accordance with the laws of the State of California. All duties and obligations of the parties created hereunder are performable in the County of San Luis Obispo, and such County shall be that venue for any action, or proceeding that may be brought, or arise out of, in connection with or by reason of this agreement.

If any term, covenant, condition, or provision of this agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby.
